HELP US BUILD
A NEW SHELTER
294-4857 FKSPCA.ORG**

The Florida Keys SPCA desperately needs a new shelter.

Currently, we must move all our animals into foster homes at the threat of a hurricane.

The Board and management of the Florida Keys SPCA envision a new shelter that can withstand a category 4-plus hurricane. This new building will safely house not only shelter animals but also the animals of emergency personnel that stay behind during a storm.

You can help us achieve our goal.
